

LEAGUE JET 25 RUSSIA PRESENT

Official Race Notice

MAY 28-29, 2011 VLADIVOSTOK, RUSSIA

- Race site information

The racing event will be held during May 28-29 at Vladivostok (Russia) that's the future place for forum APEC 2012 (Asia-Pacific Economic Cooperation) and hosts Annual International Film Festival 'Pacific Meridian' as well.

- Race system

24 RUSKI JET RACE is a team endurance race around the Russian Island within 24 hours. The race track is a closed course track of 63 km distance.

- Race participants

World-known watercraft manufacturers' teams (such as Yamaha, Sea Doo, Kawasaki, and so on) will participate at the racing event along with the individual riders. All the manufacturers' jet skis will be test driven during the event so the racing will show the most powerful jet skis that covered the maximum distance.

- Race rules

The team can consist of eight persons maximum. Two of them are riders changing each other during the race, two other persons are mechanics and the rest are the assistants. Only 1 (one) Runabout jet ski is allowed for each team. Riders should prepare the jet skis properly because of the changing weather conditions (waves, wind and stream). A winner team will be considered the team covered the maximum distance within 24 hours.

- Guinness record

All teams can try to break the existing Guinness record for maximum distance covered on a jet ski within 24 hours during the race.

The record for the greatest distance covered on a jet ski within 24 hours is 1,031 km (640.6 miles) and was achieved by Davor Hundic (Croatia) between Ičići, Dubrovnik and Rab (Croatia) on a RXT SeaDoo jet ski on June 25, 2006.
